Education in Brazil has had many changes. It first began with Jesuit missions, that controlled education for a long time. Then, two hundred years after their arrival, their powers were limited by Marquis de Pombal. Shortly after the Jesuits' power was limited, the Brazilian government took over education and it is now is run by the Brazilian ...

All this chaos, genocide, ethnic cleansing and disaster has a genuine purpose. It is very carefully planned by a few men behind the scene, high up in the society, high above any power structure that the ordinary citizen knows about. It is a planned take-over to create a One World Government with those people on top, making the rest of us into ...

Key messages. Community disadvantage comes about as a result of the complex interplay between the characteristics of residents living in a community (e.g., unemployment, low income) and the effects of the social and environmental context within the community (e.g., weak social networks, relative lack of opportunities).
