Abstract. This paper reviews the student experience of e-learning in higher education in order to identify areas worthy of future investigation.

The Student Experience of E-learning in Higher Education

All software design is composition: the act of breaking complex problems down into smaller problems and composing those solutions. Most developers have a limited understanding of compositional techniques. It's time for that to change.

Composing Software by Eric Elliott [Leanpub PDF/iPad/Kindle]

Given the global spread of mobile platforms, such as iOS and Android, it is relevant to consider the potential of these devices in teaching and learning. Our exploratory research was designed to evaluate the possibility of using common ebook formats
