

advanced web metrics with pdf

As a great friend and mentor to me once said, "Advanced web metrics is about doing the basics very well and applying it in a clever way." I wish I had thought of that phrase!

Google Analytics book - Successful Analytics (new)

CX Metrics and KPIs 2 Executive Overview This document aligns to the Customer Experience (CX) Value Equation defined by Oracle as a method to identify and measure the value of CX.

Customer Experience (CX) Metrics and Key Performance

Web analytics is the measurement, collection, analysis and reporting of web data for purposes of understanding and optimizing web usage. However, Web analytics is not just a process for measuring web traffic but can be used as a tool for business and market research, and to assess and improve the effectiveness of a website.
