Sub-Saharan Africa is, geographically, the area of the continent of Africa that lies south of the Sahara. According to the United Nations, it consists of all African countries that are fully or partially located south of the Sahara. It contrasts with North Africa, whose territories are part of the League of Arab states within the Arab world.

Child Soldiers in Africa refers to the military use of children under the age of 18 by national armed forces or other armed groups in Africa. Typically, this classification includes children serving in non-combatant roles (such as cooks or messengers), as well as those serving in combatant roles. In 2008, it was estimated that 40 percent of ...
