After the Prophet: The Epic Story of the Shia-Sunni Split

After the Prophet is not a novel, it is "narrative history", that is, the story of things that happened and of things that people say happened, told in a highly compelling way. The tag line (or sub-title, is there a difference?) is "The epic story of the Shia-Sunni split". And indeed the book starts with an epic, with a Hollywood like story set in the Middle Eastern desert in the ...
