The Philosophical Foundations of Foucaultian Discourse Analysis Penny Powers Thompson Rivers University Email: ppowers@tru.ca Abstract Discourse analysis may be performed in different ways, but all of the procedural variations share some philosophical underpinnings. This article will describe the theoretical antecedents for the Foucaultian version of this useful method of inquiry. Keywords ...

The Philosophical Foundations of Foucaultian Discourse

Statistical Analysis of Pennies Are all pennies created equal? The scientific method is a process that works in the following sequence; posing a question, hypothesizing about a likely answer, devising an experimental plan to test the hypothesis, performing an experiment, modifying the hypothesis to account for the results, and often performing follow-up experiments to test the new or revised ...

Experiment 2 Statistical Analysis of Pennies Are all
