In the world of ASH, fairies are an older race of people who walk the line between life and death, reality and magic. As orphaned Ash grows up, a servant in her stepmother's home, she begins to realise that her

beloved mother, Elinor, was very much in tune with these underworld folk, and that she herself has the power to see them too.

Format: Kindle Edition Verified Purchase Being in a Star Wars mood again having watched the new Han Solo spin-off film over the bank holiday weekend, I was inspired to read this novelisation. Doing so seems to confirm a rule of thumb I've observed that the enjoyment I get from a novelisation is often in inverse proportion to that I derived from watching the film.
