The particular focus of How Children Succeed was the role that a group of factors often referred to as noncognitive or “soft” skills “qualities like perseverance, conscientiousness, self-control, and optimism” play in the challenges poor children face and the strategies that might help them succeed.

Helping Children Succeed “What Works and Why

The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge that builds upon the past knowledge.
