Media coverage of global warming has been increasing for over twenty years. Oddly, the church has had little to say on the issue and has made scant use of Scripture to evaluate the alleged problem.

A Proposed Bible-Science Perspective on Global Warming

Physical Science 8th Graders, be the leaders I know you can be! Physical Science is broken into 3 main units: Astronomy, Chemistry and Physics. The best advice I can give to you is to budget your time properly, don't wait until the last minute (the night before) to get your work done.

Earth is the third planet from the Sun and the only astronomical object known to harbor life. According to radiometric dating and other sources of evidence, Earth formed over 4.5 billion years ago.

Earth - Wikipedia

In Chapter 2 we present evidence that scientific research in education accumulates just as it does in the physical, life, and social sciences. Consequently, we believe that such research would be worthwhile to

pursue to build further knowledge about education, and about education policy and practice.

3 Guiding Principles for Scientific Inquiry | Scientific

Young Earth creationism (YEC) is creationism which holds as a central tenet that the Earth and its lifeforms were created in their present forms by supernatural acts of a deity between approximately 6,000 and 10,000 years ago.
