Last week I shared a list of currently marketed products for heartworm prevention. The last two I mentioned were Trifexis and ProHeart 6. If you do a Google search with either of these search terms, you will find a mix of official websites for the products, sites selling the products, and sites with negative press about the products.

Should I give my dog Trifexis or ProHeart 6 for heartworm

An incredible heritage. For non-specialists, it is hard to realize how incredibly large is the infrastructure heritage developed countries have built in a few centuries, beginning in the industrial revolution or even before for many of them.
