Materials in a Universal Design for Learning (UDL) classroom are different. These materials will be used to give students multiple means of representation of concepts, multiple means of engaging in learning the concepts, and multiple means of expression for students to demonstrate what they have learned.

Supporting the Classroom with Materials for Instruction

The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge that builds upon the past knowledge.
