

database processing review questions pdf

This will attach your query result as a csv, just change it to filename.xls if you prefer that format. I think csv works better, with excel you might get a warning saying the file is in a different format than specified by the extension.

database email with attachment(excel file / pdf file)?

A database is an organized collection of data. It is the collection of schemas, tables, queries, reports, views, and other objects. The data are typically organized to model aspects of reality in a way that supports processes requiring information.
