

development as freedom amartya pdf

43 means, we have to face the issue of identification of ends, in terms of which the effectiveness of the means can be systematically assessed. This paper is concerned with discussing the nature and implications of that general

Amartya Sen: Development as Capability Expansion

The capability approach (also referred to as the capabilities approach) is an economic theory conceived in the 1980s as an alternative approach to welfare economics. In this approach, Amartya Sen and Martha Nussbaum bring together a range of ideas that were previously excluded from (or inadequately formulated in) traditional approaches to the ...
