The Math Forum created Problems of the Week as an integrated program that features problems by standard and additional teacher support materials.

The Math Forum - National Council of Teachers of Mathematics

Welcome to my math notes site. Contained in this site are the notes (free and downloadable) that I use to teach Algebra, Calculus (I, II and III) as well as Differential Equations at Lamar University. The notes contain the usual topics that are taught in those courses as well as a few extra topics that I decided to include just because I wanted to.
