

interviewing users how to pdf

Interviewing Users provides invaluable interviewing techniques and tools that enable you to conduct informative interviews with anyone. You'll move from simply gathering data to uncovering powerful insights about people.

Interviewing Users: How to Uncover Compelling Insights

At a more general level I found Interviewing Users refreshing because, in a time where lean and agile practices sometimes put pressure on us to hack through user insight part of user experience design, the book reminds us that interviewing is a craft, and that the quality and care you put into it will make for better design outcomes. As well as being a responsibility, interviewing users is a ...
