Reproducibility is the closeness of the agreement between the results of measurements of the same measurand carried out with same methodology described in the corresponding scientific evidence (e.g. a publication in a peer-reviewed journal) [citation needed]

Reproducibility - Wikipedia

network operations center design tier 1-4 rated data centers for many size organizations including the fortune 500. Develop effective strategies for addressing issues of business site location; your company s vulnerability to natural disasters, terrorism or disgruntled employees; and associated loss of productivity, data and revenue.

Network Operations Center Designs (NOC) solution

Andrew, That is very good question, and I did ponder adding a web project to accompany the advanced chapters in the two JS books. But because I had not done the proper research to find the ideal project for the advanced chapters, I did not add a project to the post.
