A mock trial is an act or imitation trial. It is similar to a moot court, but mock trials simulate lower-court trials, while moot court simulates appellate court hearings. Attorneys preparing for a real trial might use a mock trial consisting of volunteers as role players to test theories or experiment with each other.

Noam Chomsky's well-known political views have tended to overshadow his groundbreaking work as a linguist and analytic philosopher. As a result, people sometimes assume that because Chomsky is a leftist, he would find common intellectual ground with the postmodernist philosophers of the European Left.
