

models posing for art pdf

An art model poses for any visual artist as part of the creative process, providing a visual reference for the human figure in a work of art. However, more than being simply the subject of art, models are often thought of as muses, a source of inspiration without whom the art would not exist. The most common types of art works that use models ...

Model (art) - Wikipedia

A model is a person with a role either to promote, display or advertise commercial products (notably fashion clothing in fashion shows), or to serve as a visual aid for people who are creating works of art or to pose for photography.

Model (person) - Wikipedia

Art Posters (SB885) A useful set of A4-size printable posters for use on art displays or for discussion. Includes primary and secondary colours, colour mixing and shading/tinting as well as posters showing artist's materials and methods.
