John Rawls - Wikipedia

Liberalism is a political and moral philosophy based on liberty and equal rights. Liberals espouse a wide array of views depending on their understanding of these principles, but they generally support limited government, individual rights (including civil rights and human rights), capitalism (free markets), democracy, secularism, gender ...

Liberalism - Wikipedia

2 Introduction The subject of this article is the concept of "neoliberalism" and its history. The concept has, during the past twenty years or so, become somewhat of an exhortation in many political and
