Savage Inequalities: Children in America's Schools

EXCERPT FROM THE BOOK "Savage Inequalities: Children in America's Schools" is a book about numbers more than about children. However, children's voices, as well as the voices of other school staff, are heard throughout. But the numbers are the foundation of the story: numbers of dollars spent in wealthy districts, the smaller number spent in poor districts, numbers of students in classes, tax rates, high school dropout rates, test scores, teacher salaries, attrition rate of teachers ...
