Today's children will need a balanced set of cognitive, social and emotional skills in order to succeed in modern life. Their capacity to achieve goals, work effectively with others and manage emotions will be essential to meet the challenges of the 21st century.

Skills for Social Progress - The Power of Social and

Eureka! for us was more than just a business model competition, it was a virtual incubator. The shift from B-plan to B-model benefited us widely as the timeline of the competition kept us motivated to step beyond having just a 10-slide business deck to actually going out there, creating an MVP and testing the waters.
