

### **the narcissistic family diagnosis pdf**

A narcissistic parent is a parent affected by narcissism or narcissistic personality disorder. Typically narcissistic parents are exclusively and possessively close to their children and may be especially envious of, and threatened by, their child's growing independence. The result may be what has been termed a pattern of narcissistic ...

### **Narcissistic parent - Wikipedia**

Narcissistic personality disorder (NPD) is a personality disorder with a long-term pattern of abnormal behavior characterized by exaggerated feelings of self-importance, excessive need for admiration, and a lack of empathy.

### **Narcissistic personality disorder - Wikipedia**

Narcissistic personality disorder involves a distorted self-image. Emotions can be unstable and intense, and there is excessive concern with vanity, prestige, power, and personal adequacy.
