

the silence of animals pdf

Silence is the absence of ambient audible sound, the emission of sounds of such low intensity that they do not draw attention to themselves, or the state of having ceased to produce sounds; this latter sense can be extended to apply to the cessation or absence of any form of communication, whether through speech or other medium.

Silence - Wikipedia

A vow of silence is a vow to maintain silence. Although it is commonly associated with monasticism, no major monastic order takes a vow of silence.

Vow of silence - Wikipedia

Braille is widely used by blind people today who are unable to read and write the regular alphabets. Braille is very similar to regular alphabet letters - only different in the way characters are presented and read.
