

translations of shapes worksheet pdf

Lesson teaching how to translate and reflect shapes. Works well with a top set year 8 class or middle set year 9. This lesson can be split into 2 for lower ability, separating translations and reflections into separate lessons.

Translations and Reflections Lesson + Worksheets by

An unlimited supply of printable coordinate grid worksheets in both PDF and html formats where students either plot points, tell coordinates of points, plot shapes from points, reflect shapes in the x or y-axis, or move (translate) them. You can control the number of problems, workspace, border around the problems, and more.

Free coordinate plane worksheets (PDF) - plot points

I put together a worksheet using questions from the MyMaths KS3 1C and Key Maths 8³ (revised) textbooks. The books themselves are sparse, so I decided a worksheet is more practical and easier. The questions selected are such that they get progressi...
