What The Birds See [PDF] - amodocs.ca

Must-See Birds of the Pacific Northwest is a lively, practical guide that helps readers discover 85 of the region's most extraordinary birds. Each bird profile includes notes on what they eat, where they migrate from, and where to find them in Washington and Oregon. Profiles also include stunning color photographs of each bird. Birds are grouped by what they are known for or where they are most likely to be found—like beach birds, urban birds, colorful birds, and killer birds. This is an ...
