History. The Tribal College movement grew out of the American Indian "self-determination" movement of the 1960s. Tribal colleges are located on or near Indian reservations and provide access to post-secondary education, accredited degrees, and vocational training for both Indian and non-Indian students.

In Kenya, the peoples who identify with the indigenous movement are mainly pastoralists and hunter-gatherers as well as a number of small farming communities. Pastoralists are estimated to comprise 25% of the national population, while the largest individual community of hunter gatherers numbers approximately 30,000.
