### **Working with Contracts - cisco.com**

A work contract agreement establishes the details of employment of an individual by a company that hires him. These contain specific information that the employee needs to perform like the tasks, duties, and responsibilities plus the details of compensation and benefits that the company is bound to extend in exchange for the individual's services.

### **Sample Work Contract Agreement - 12+ Examples in Word, PDF**

The employer must provide drawings, a specification, or work schedules to define the quantity and quality of work, as well as the requirements for the Contractor's Designed Portion. The price and payment structure of the contract is based on a lump sum with monthly interim payments.
