Best answer: Yes indeed. In fact it must. One definition of addiction is anything that mutes down or numbs our emotions. That makes sense, since while some drugs may make the body itself feel better, usually it's the emotional relief we feel that motivates us to do it and then do it again for the same effect.

People are only afraid of questions if they fear the answers. When you investigate the Bible, do so with an open mind and not with a rebellious heart. Then, when you discover the answers to the truth, they may seem uncomfortable at first, but they will actually lead to deeper meaning in your walk with God.
